5: mustard, 6: dairy, 7: sulphites, 8: soya, 9: sesame, 10: fish

Our dishes are often garnished with pea shoots, watercress,
soft leaves, radish, and/or pickled veg. Please advise our
team of any allergies or intolerances when ordering your
food. A full allergen list is available to view.

A little note: wherever possible, we make
our menu items in-house, cooking hot food
to order from a small kitchen. We know the
quality of our dishes will speak for
themselves when you taste them, but please
be patient with us if your order takes a
little longer to come out, especially at peak
times. It'll be worth it!

We are happy to adjust dishes wherever we
can - just ask what we can do!
